ARCHBISHOP WILLIAMS HIGH SCHOOL
Braintree, Massachusetts

presented by the seniors of Archbishop Williams High School proud of, and hopeful in, ...

Since that day in September, 1949, when the doors of Archbishop Williams High School were opened to the first freshman class, our school has been equipping young men and women to attain success in this world and in the next. Success in two worlds demands something more than intellectual pursuits can achieve; therefore, we have had instilled within us the social, moral, and religious principles which together produce responsible citizens and ultimately heirs of heaven. This is the Catholic way and the American way—it is unmistakably the Williams way—through Christ, with Christ, and in Christ.

The Williams way is achieved and maintained by the incomparable Williams' spirit. What is this Williams' spirit? It is intangible and cannot be defined, but it is very definitely seen in those who are a part of Williams—the teachers who are its guardians and the students who are its inheritors. This spirit is nurtured and sustained by Christ the Teacher, Who will ever be the inspiration of every teacher, every alumnus and every student. This animating spirit inspires the students to visit the Blessed Sacrament each new day and there to seek the guidance of Our Eucharistic Lord. On the first Friday of the month each member of the student body offers himself anew as he assists at the holy sacrifice of the Mass and receives in Holy Communion the One from Whom this tremendous spirit receives its energy and vitality.

the spirit of our school

This spirit is manifest in every phase of student life: at assemblies, at student council meetings, in the classroom, in the gym, at pep rallies, on the gridiron, at the arena, on the diamond, in the class play, the magazine drive, the dances and all the other endeavors undertaken by the faculty and student body.

The Williams' spirit is the student's faith in God and in his fellowmen, loyalty to his Alma Mater and her ideals, his hope in God for ultimate success, his determination and perseverance to achieve that success, his enthusiasm and zeal for the teachings of Christ and above all, his charity—the charity of Christ. This then is the Williams' spirit, the “esprit de corps” of the student body. May God continue to shower His abundant blessings on our school. May its spirit never die.

We, the staff of the 1958 Crosier, have selected as our theme: The Spirit of Our School. We have endeavored to capture something of this spirit in story and in picture. May its flame ever burn within us and may we go forth and share with others those principles which have been enkindled within us during the four years we have been privileged to walk the Williams' way in the footsteps of Christ, The Teacher.

Our Archbishop

Our Spiritual Director

My dear seniors:

Some years ago, General John J. Pershing came out in defense of religion, service of God. Our World War military leader sounded the clarion call of warning in these words: "Christianity is on the defensive. I fear that we are unprepared at present to withstand the onslaughts that are being made against us. We must unite in our efforts to strengthen our lives without delay. The attacks are increasingly dangerous, and we must defend ourselves with all our might. If we stand firm, it is certain that they shall not pass."

The general's expression of alarm is timely and well founded. Never were irreligious, godless, atheistic ideas so prevalent, so brazenly advocated and so shamelessly followed as today in our enlightened age.

Our Lord said: "The Father shall give testimony to Me and you shall give testimony because you are with Me from the beginning."

Seniors, that is the question that you must answer. Are you friends of Christ? Are you prepared and ready to withstand the onslaughts on the teachings of Christ? Is your private life such that Jesus considers you as His friend? Are you enthusiastically and courageously in sympathy with the aims and objects of God's Church?

We need action, daily action, wide-awake, really sincere action! We Catholics cannot offset the baneful tendency of irreligion by shouting from the housetops that there is a God. We have to prove this by the wholesome influence that religion has upon us. The challenge is yours—to either accept or reject. May Christ the Teacher inspire you all to accept it!

Father Kerivan

Our Principal

Dear Seniors:

You, the seniors of the graduating class of 1958, are soon to leave us taking with you some of that youthful, intangible, indefinable enthusiasm and loyalty, better known as the "Williams spirit," a spirit generated by the first faculty and class at Archbishop Williams and nurtured so well through these years. You, in your own particular way—religiously, scholastically, athletically, and socially—have added to its continuance and vigor. You are not going to find such a spirit, however, in the world of which you are so very soon to become such an integral part.

Since you are entering a world which is, for the greater part, spiritually void and empty, you have a great and immediate need for the assistance of the Holy Spirit, the third Person of the Trinity. We feel that during your four years at Archbishop Williams High you have learned to live spiritually and have attained a knowledge of the realization of your complete dependence upon Him, who is the Spirit of truth and light, the Spirit of power and liberty, the Spirit of abiding peace and joy. But for your asking this same Holy Spirit will fill your souls, as He filled the souls of the Apostles on that first Pentecost, with all the graces needed for your continued growth as other Christs in this spiritually cold and hostile world.

May the Holy Spirit, then, mercifully bring to their full efficiency in your young and generous souls the gifts of Wisdom, Understanding, Knowledge, Counsel, Piety, Fortitude, and Fear of the Lord, without which there is no real advancement toward that Eternal Commencement to which all are so rapidly approaching. May the "Williams spirit" impregnated with the light of the Holy Spirit make you always realize with St. Paul that you are temples of God and that the Spirit of God dwelleth in you.

Devotedly in the Holy Spirit,
Sister Hugh Francis

Our Faculty

In 1812 six young women answered the plea of Bishop David to form a Sisterhood, and thus was founded the Sisters of Charity of Nazareth. These first companions set the spirit that was quickly to energize the new congregation, and today we, the students of Archbishop Williams High School, see exemplified in the lives of our Sisters, the virtues that so characterized those selfless women one hundred and forty-five years ago.

As we, the class of 1958, close the door on the joys and trials of the best years of our lives, we wish you to know that the enthusiasm and zeal with which you undertook every task designed to help us, your insight and understanding of our problems, your untiring efforts for our spiritual, intellectual, social and physical development will always be among our most treasured memories. There was no labor too arduous, no hour too late. You have shared our victories, you have taught us how to take defeat.

By precept and example you have aided us in forming a solid foundation for Christian adulthood. You have imparted to us a Way of Life and the secret of doing all things in and through Christ. You have given of yourselves and from the bottom of our hearts we say thank you, Sisters of Charity.

May we never fail you. May our lives ever reflect the lessons we have learned from our close contact with that first Nazareth, the home of Christ the Teacher, and that other Nazareth, the home of our Sisters.

SENIORS

As our four years at Archbishop Williams draw to a close, we cannot help but look back with pride at our scholastic and athletic accomplishments. The basic principle underlying these achievements has been our undying spirit. This animating power has carried us through difficult as well as routine assignments.

We entered as lowly freshmen and during that year we won the magazine drive thus bringing into the open our Williams' spirit, something that has stood out in everything that we have done. In athletics, dances, campaigns and other co-curricular activities, our spirit has always dominated and made us feel that we have captured something special. It has instilled deeply within us an appreciation of our school and above all, of our faculty. We have ever shown our unwavering desire to hoist Williams to the top in all of our undertakings.

After four years we are leaving: some for college, others for the business world, a chosen few for the service of God and some for the service of our country. As these new horizons open before us, it is with pride that we will always remember our undying Williams' spirit animated by our silent leader, Christ The Teacher.

IN MEMORIAM

In the summer of 1955 we were saddened by the death of our classmate, Nina Kiely. During her first and only year at Williams she proved herself to be an excellent student, serious, and dependable, yet ever a source of fun and laughter.

ATHLETICS

Our athletic teams have the opportunity of most effectively displaying the vitality of the spirit of our school. The thousands that throng the stadium for a game in the fall and the crowds that pack the bleachers for a thriller in winter take it for granted that a team which represents Archbishop Williams is dedicated to all the qualities of good sportsmanship.

Spectators and the rival teams alike sense the spirit that is ours, the spirit that has the power to shape a dark horse into a conference challenger and an injury-riddled squad into a fighting eleven.

Whether on the sidelines or in active participation, in practice or in actual competition, we have learned to work together, to give and take, to win or lose as good sports. From each contest, whether the outcome be victory or defeat, we have emerged with a clearer concept of true sportsmanship, better equipped to face the difficulties we shall encounter in life.

May we ever be true to the Blue and Gold and may we always turn to Christ The Teacher for the solution of all our problems.

Football Champs

"ONWARD, WILLIAMS, HIT RIGHT THROUGH THAT LINE."

A dream came true, as the "Cinderella Team" of A.W.H. finished its first undefeated, untied season in the school's brief athletic history. Many outstanding facts can be stated of this team: it scored more points than any other team in the history of the school-319; it scored the greatest number of points in a single game-54; it was led by co-captain, Mark Chiros, who became a "Mark of distinction" by setting an individual state-scoring record-187. What more could one ask for!

We salute our outstanding coaching staff, without whose fine instruction and self-sacrifice our success could never have been realized. We wish to thank Father Kerivan and the Sisters for their interest, encouragement and prayers and also the student body for their never-failing loyalty and unbounded spirit.

and Agawam Too!

UNDEFEATED EAST MEETS UNDEFEATED WEST

The rampaging Bishops rolled, romped and all but ruined the prestige of the Western Class A Champion. An estimated 10,000 spectators stood breathless through the thrilling climax as Agawam's Jim Bruno and our Mark Chiros battled to win the state-scoring record and as AGAWAM WENT DOWN 27-19.

BISHOPS ROLL OVER EAST PROVIDENCE

The Bishops opened their football campaign with a bang as they romped over a strong out-of-state team by a score of 38-6. The Williams eleven displayed a fine running and passing attack as they were the aggressors for the whole game. Mark Chiros led the scorers with 14 points. Touchdowns were also scored by Tom Callaghan, Ron Campanelli, Jim Lynch and Ed Gilboy. The win opened the season with a keynote of victory.

CHIROs AND MATEs TROUNCE LAWRENCE CENTRAL

Avenging their two previous losses to Central Catholic, the Bishops were not to be dominated this day as they chalked up a 33-6 score. The spectacular running of Mark Chiros and the outstanding line play enabled our boys to defeat their powerful adversary. Starring roles also went to Tom Callaghan, George Williams, and Ken Kerr who helped to shatter Central's dreams.

BISHOPS ON WAY TO DREAM RECORD

The high-riding Bishops gained even greater recognition as they clouted Durfee 33-6. Again led by the fine running of their two co-captains, the Bishops piled up a first period score not to be touched. Praise was heaped upon the fine running of the backs and the crisp blocking and tackling of the line. Standouts were George Williams, Paul Love, and Ken Kerr and, of course, our co-captains, Mark and Jim.

NEWBURYPORT SWAMPED BY MIGHTY BRAINTREE BISHOPS

What a team! What a team! These words echoed from the cheering crowd as the powerful Bishops continued on the way to their finest season as they outclassed the Newburyport team 42-0. This game was a team victory all the way. Mark Chiros notched 24 points. Among those commended by the coaching staff were Tom Callaghan, Joe Cushing, Ken Kerr, and Paul Keohane.

BISHOPS DOWN STRONG MALDEN CATHOLIC

A determined Malden team rushed out of the locker room with victory in their eyes, only to be set back by a score of 25-0, as the battling Bishops

proved they could withstand the toughest of foes. Again Paul Love and Tom Callaghan notched a touchdown apiece. After this victory the Bishops were hailed as the team to win in both Class B and the Catholic League.

BISHOPS STUN MARIANS

In the most dynamic game ever witnessed at Hollis field, the seekers of the crown came from behind to win this big ONE. This game featured the devastating tackling and bone-bruising blocks of our Bishops as they triumphed with a score of 27-20. The standouts on both offense and defense were Jim Lynch, Paul Love, Ron Campanelli, and George Williams and in typical Bishops' fashion, they were supported by the whole team.

WILLIAMS TRAMPLES KEITH ELEVEN

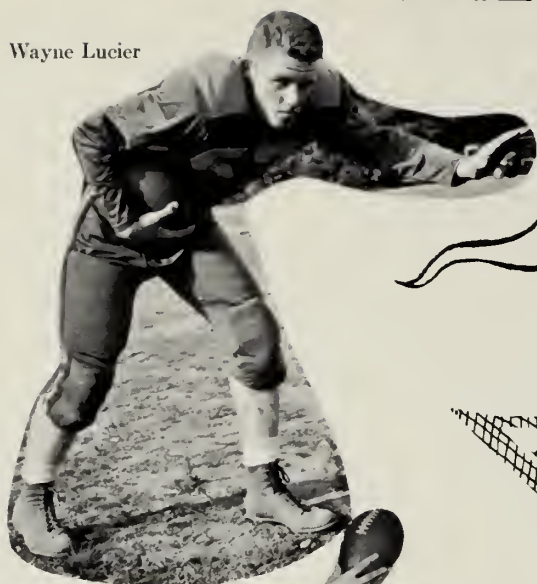

Hail to the Champs! Keith offered the Bishops little competition in this game and Williams ended their Catholic league season undefeated. Again every player saw action and Paul Keohane, Paul Mitchelson, Warren Marr, and Tom Record were given special recognition. A final score of 40-7 was the result as every back shared in the scoring.

BISHOPS SLAUGHTER THANKSGIVING TURKEY

A spirited Archbishop Williams team closed its most successful season in history this Thanksgiving by downing B.C. High 54-0. Displaying bruising power and lightning speed the Blue and Gold set a new scoring record for Williams. Co-captains Chiros and Lynch paved the way to the win. Chiros climaxed his schoolboy career with 187 points. Every senior saw extensive action in the final game of a football era here at Williams.

The sound of skates digging into the clear, black ice, the shouts of the forwards as they broke to the enemy cage, all recall the fabulous Bishops hockey team. Day after day with constant hard work the Bishop sextet, under the leadership of Coach Garrity became known as "the team to beat."

The South Shore League opened and the great Williams team left no doubt in the minds of the opponents that they had been beaten. The powerful offense knocked off, one by one, teams such as Canton, Brockton,

Kevin Smith

Weymouth, Scituate, the once mighty Milton and finally little King Philip. Only once did this offensive surge stutter, as Hingham played the Blue and Gold to a stunning tie.

Under the leadership of co-captains, Ron Campanelli and Ken Kerr, the team progressed to the South Shore playoffs and finally to the State Tourney. The backbone of the team centered about such senior stars as Kevin Smith, Paul Valicenti and, the Lynn English transfer, Bill Hingston. Once again, the mighty Bishops hoisted the Blue and Gold banner to the top of the standings.

AROUND THE RIM

The faint echoes of the football cheers were still lingering in the air when the basketball season opened. Some unexpected defeats spelled a second place for the Williams team in the Catholic Conference.

The season got under way on December 23 with a non-conference loss to Cambridge Latin. In the first conference game the Bishops ran headlong into a competent Lawrence Central team and lost. Our easy victory over the Keith quintet was followed by losses at the hands of Matignon, Malden Catholic and a second to Lawrence Central. This made the season look bleak indeed.

Finally the machine began to roll and Coach Bane's boys, led by co-captains Chiros, Williams, and Richards, won seven consecutive league games and compiled a record of ten wins and five losses for the season. Earlier defeats were avenged in return matches against Malden Catholic and Matignon and berths were won in both the Catholic and Tech Tourneys. The Williams spirit, that "never say die" attitude triumphed again.

ACTIVITIES

The school year is filled with activities that provide a welcome diversity to the daily routine. These events are well integrated into our academic schedule and play an important part in Williams' over-all plan of developing Catholic leaders.

Participation in these activities stimulates in the student the spirit of our school by encouraging initiative, demanding sacrifices, and preparing him for a competitive world. In taking part in them the student gradually comes to the realization that in the measure he contributes to them, they make a return to him. This recompense to the student for his services largely takes the form of valuable character building experiences, enabling him to expand his horizons and to learn lessons not found in books. He is made into a fuller man, the better to serve his community, his country and his God.

As these activities make a return to the student for his efforts, so do they likewise repay the spirit that stimulates these endeavors. With every success, every defeat, every act of charity and prayer the spirit of our school is enhanced yet more. This increased vitality gives to the Williams' spirit a sounder basis on which to found all future victories and achievements.

GLEE CLUB

The Cantabile Club, proficiently supervised by Sister Frederick Maria, elected the following officers for 1957-58: Mary Ann Stella, president and Ann Riordon, vice-president. The direction of Florence Baldi and accompaniment of Claire Burke have added greatly to the success of the Cantabile Club. Appearances at the Boston Common, Carney Hospital, South Shore Hospital, Symphony Hall, and the chanting of High Mass at St. John's, have filled the glee club agenda, highlighted by an inspirational Christmas program and a sprightly spring concert.

From 1971, we have been sponsoring a group of students from Chicago and the west at Archbishop O'Shea High School in Chicago, participating in the Archdiocesan College Program. The students are from the Chicago area and are attending college elsewhere. The program is a joint effort of the Archdiocese of Chicago and the Archdiocese of St. Louis. The students are given a stipend and travel expenses. They are also given a letter of recommendation from the Archdiocese of Chicago. The program is a very successful one and has helped many students to complete their college education.

[illegible]

Our school newspaper, published six times a year, is a source of pride for the staff and the student body. This publication provides adequate news coverage for all phases of student activity, acquaints the reader with student leadership, makes him cognizant of the viewpoints of students and faculty and acts as a medium between the school and community.

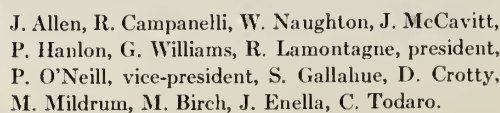

The National Merit Scholarship Program is a nationwide search for outstanding high school seniors, who will best benefit from a college education. This program is open to top-ranking seniors in every high school. All entrants are given a preliminary test in verbal and mathematical aptitude. One of our seniors, Peter Curtin, qualified as a semi-finalist. Peter was one of seventy-five hundred students selected from three-hundred thousand participants. The winners are chosen on the basis of the January College Entrance Examinations, secondary school achievement, character, and qualities of leadership.

STUDENT COUNCIL

This well-organized democracy for the students and by the students is represented by two members from each homeroom. Its function is to co-operate with Sister Hugh Francis and the faculty to promote the best interest of the school at school, at home, and in public; to foster mutual understanding between the faculty and the student body; and to mold its members into capable Catholic leaders.

Sister Mary Collette is faculty sponsor for the Council. Elected to represent the student body are two outstanding leaders, Roland Lamontagne, president and Patricia O'Neil, vice-president.

FRENCH CLUB

C'est la vie! Mais oui. Almost every French student enjoys being a part of the French Club. The meetings, conducted entirely in French, are interesting and often amusing. Through plays, skits, songs, and stories the students are better familiarized with the culture and customs of France. At one of our meetings we had the pleasure of becoming acquainted with a student, Miss Lydia La Roy, from France. Miss La Roy told us some very interesting customs and habits of the teen-age boys and girls of France and answered our many questions.

DRAMATIC CLUB

Tragedies! comedies! romances! You name it and the dramatic society will show you a long list of plays which it has presented during the last few years. One of the greatest dramatizations ever attempted by a high school group, A DESIGN FOR A STAINED GLASS WINDOW, was given as our senior class play. This was the touching story of a young mother who died for Christ. To show that they had the ability to enact a comedy, the group did the delightful play, THE IMPORTANCE OF BEING ERNEST.

At the regional meeting held at Boston College, the Drama Club gave a demonstration in advanced make-up. The season closed with the club's annual participation in the play festival held at Regis College. Under the direction of Sister Gertrude the Dramatic Society has reached great heights.

FRONT ROW: J. McDonald, C. Boivin. SECOND ROW: J. McShane, T. Keefe, K. Kennedy, J. Barclay. Sister Gertrude, faculty advisor.

LATIN CLUB

Membership in the Latin Club has greatly aided the students in their study of ancient Rome. The organization, under the direction of Sister Margaret Edward, can boast of one hundred percent membership among the seniors pursuing their fourth year of Latin.

In its monthly meetings the club follows a varied program of events, having as their focal point the further acquisition of knowledge of the lives, the style, and the works of Marcus Tullius Cicero, who is, perhaps, the greatest orator the world has ever known.

STUDENT EXCHANGE PROGRAM

This year as in previous years, Archbishop Williams High School participated in the annual Student Exchange Program, sponsored by the Commonwealth of Massachusetts. Through this well-organized program secondary school pupils are given an opportunity to observe the governing processes of neighboring municipalities.

On March 19, six seniors, elected by the members of their class, were guests of the faculty and student body of Gate of Heaven High School in South Boston. They attended an informative assembly program and visited some of the governmental offices of the city.

On March 31, we welcomed the Gate of Heaven delegates to A.W.H. and endeavored to make their day as memorable as March 19 was for our representatives.

STUDENT GOVERNMENT

Student Government Day, sponsored each year by the Commonwealth of Massachusetts, was held this year on March 14, 1958, at the State House in Boston. This year's high school delegates, among whom was Archbishop Williams' representative, Roland Lamontagne, were given an opportunity through actual control of governmental functions, to observe closely the inner-workings of state legislature.

The morning portion of the day's program included a special session of the state supreme court.

Immediately following lunch, the delegates retired to sessions of the Massachusetts House and Senate where they spent some time debating bills and other legislative measures.

The interesting and informative program concluded with a special joint-session in the House Chamber which was attended by all student representatives.

UNITED NATIONS DAY PROGRAM

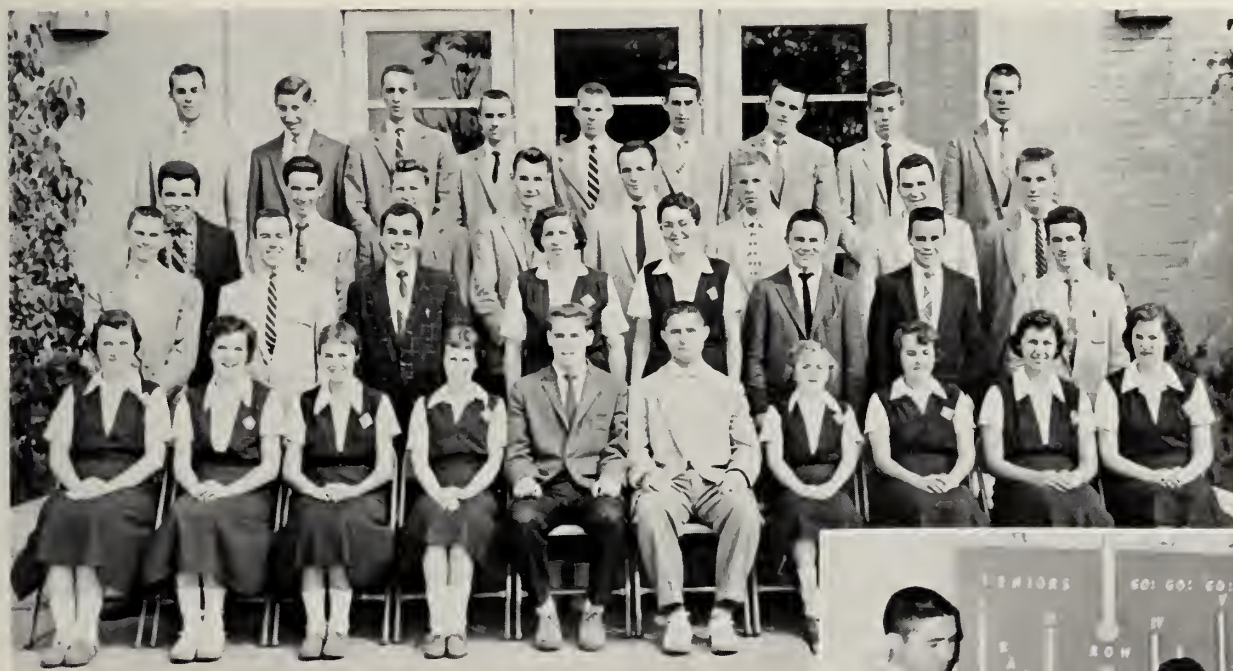

On November 21, 1957, eight representatives of the senior class, selected by the faculty, attended the annual United Nations Day Program at Beaver Country Day School in Newton. The group was under the direction and guidance of Sister Mary Josella.

The program consisted of lectures on Russia delivered by well-informed speakers, a series of conferences on the chief topic of the day, "Democracy vs. Communism," and a general evaluation of the day's accomplishments.

GIRLS' ATHLETIC ASSOCIATION

An integral part of the sports program at Williams is the Girls' Athletic Association, established in 1951. Under the expert guidance of Mrs. Cushman, the organization has afforded every girl the opportunity to participate in the sports and the social functions it sponsors.

Each year the G.A.A. awards letters to those who have acquired 100 points, or more. It is the ultimate goal of every girl to wear the blue and gold Williams' blazer awarded to deserving seniors.

The organization strives to present to its members a program which will be beneficial and at the same time provide a maximum of enjoyment and recreation, by sponsoring sports competition, dances, and the annual Gym Demonstration.

VARSITY CLUB

The Varsity Club, formed in 1953, is open to members of the student body who have earned their letter by competing in a varsity sport.

Throughout the school year the members engage in various projects the proceeds of which help to defray the expense of pins and jackets awarded to seniors as a symbol of accomplishment. The aims of this closely-knit organization are to promote interest in the athletic program at Williams, to unite athletes in a strong bond of friendship, and to be assured that anyone in athletics will participate in accordance with rules of Christian sportsmanship.
